

## DISTANCE LEARNING PROCEDURE FOR LABORATORY LECTURES

### Notes For EEE 202 and EEE 225 Laboratory Lectures

- 1-) The missing experiments will be carried out via distance learning.
- 2-) There will be no quiz and final exam for these courses.
- 3-) Grading for the missing experiments will be done through post-lab reports.
- 4-) In the name of your post-lab report, you have to state your name, UID, and the week of the experiment.
- 5-) All students should carry out the missing experiments.
- 6-) You can use Proteus, Pspice, or any simulation program to carry out your experiments.
- 7-) Missing experiments for both laboratory courses are Experiment Part 5, Experiment Part 6, Experiment Part 7, Experiment Part 8, Experiment Part 9, Experiment Part 10.
