75+ International partners
Eminonu Campus

Located in the historical peninsula circled by antiquity and historic fabric of Istanbul, our Eminonu Campus offers the opportunity to live cultural and social richness of Istanbul. Eminonu Campus that comprises the Graduate Schools and the School of Foreign Languages has a central location and enables our students to easily get access to all parts of Istanbul thanks to the variety of transportation options.

Sutluce Campus

Sutluce Campus is our newest campus and located in the coastline of the Golden Horn. Sutluce Campus which offers a modern campus structure and a spectacular landscape of the Golden Horn comprises the faculties of commercial sciences, communication, arts & sciences and law.

Kucukyali Campus

Located in the Asian side of Istanbul, Kucukyali Campus has facilities oriented to different fields of natural sciences such as hardware and software laboratory, Ergonomics and CIM laboratory for Industrial Engineering, the workshops for Textile Engineering, etc. Kucukyali Campus comprises faculties of Engineering and Applied Sciences.
FACILITIES

Being a student at ICU is an experience that you will remember for the rest of your life.

Library

Our students and staff have access to a huge collection of printed books and journals, e-books, e-journals and databases, and to DVDs, CDs and other media. All of the university libraries are equipped with reading rooms, study spaces, computer access.

Career Center

The Career Center can help you master the transition from university to professional life. Students, alumni, and young scholars can lay the groundwork for a career in Turkey, creatively and decisively.

Student Restaurants and Cafeterias

The university cafeterias and restaurants offer daily menu following main dish, dessert, bread and drinks. Also they sell a variety of delicious bread, cakes and biscuits, freshly baked each day.

Students’ Union

Students’ Union is a student-run organization providing support and entertainment throughout your study at ICU.

Health Center

ICU has free medical service for students and faculty members on all campuses. In all four health centers situated on our Sutluce, Kucukyali and Eminonu campuses, there is an emergency room, polyclinic, an infirmary with seven beds, a biochemical laboratory and a Psychological Consulting Center. The Counseling Service provides help with more personal problems that may arise while you are a student at ICU. Counselors are very used to dealing with a wide range of personal and emotional difficulties.
